TO MAKE A TWISTED CORD

Method requires two people. Take as many strands of yarn as required, approximately three times the length required for the finished cord. Knot each end and slip a pencil between strands. Each person holds yarn just below pencil with one hand and twists pencil clockwise with other hand, keeping yarn taut. When yarn begins to kink, catch centre over door-knob or back of chair. Bring pencils together for one person to hold, while other grasps centre of yarn, sliding hand down and releasing at short intervals, letting yarn twist. Knot ends to prevent unravelling.

 Rows 1 to 18 incl form patt.
 Cont in patt until edging is length required to fit around Shawl, easing edging around corners so that edging will lie flat and noting to end with an 18th row of patt.

NOTE : If intending to embroider edging of shawl as we have done, it is important to have an even number of pattern repeats in total as embroidery is worked on alternate patterns only.
 Cast off knitways.

MAKE UP

Pin centre of shawl out to measure 100 cm x 100 cm and with a slightly damp cloth and warm iron (unless stated otherwise on ball band), press lightly, taking care not to flatten patt. Using a flat seam, sew edging to shawl as illustrated, easing around corners so that edging will lie flat. Sew cast-on and cast-off edges of edging together. If desired, using **Anchor Stranded Cotton**, embroider Grub Roses to edging as illustrated, using **Bullion stitch** for flowers and **Lazy Daisy Stitch** for leaves (see diagrams page 24).

SHORT EDGINGS

Using a flat seam, sew motifs together in groups of four, placing cast-on edges (leaves) together at centres, as illustrated. Sew groups together to make a piece 3 groups x 2 groups.

With right side facing and using 2.75mm Needles, knit up 155 sts evenly along one short side of cover.
 Work 11 rows stocking st (beg with a purl row), AT SAME TIME inc at each end of alt rows 5 times ... 165 sts.
Next row (ridge) – Purl.
 Work 10 rows stocking st (beg with a purl row), AT SAME TIME dec at each end of alt rows 5 times ... 155 sts.
 Cast off loosely purlways.
 Work same edging along other short side of cover.

LONG EDGINGS

Work as for Short Edgings, knitting up 233 sts evenly along long sides of cover and noting that there will be 243 sts at end of inc instead of 165 sts and back to 233 sts at end of dec instead of 155 sts.

MAKE UP

With a slightly damp cloth and warm iron (unless stated otherwise on ball band), press lightly, taking care not to flatten patt. Using back-stitch, join edgings together at corners. Fold hems onto wrong side at ridge and slip-stitch loosely in position. Press hems. 

BULLION STITCH

Pick up a Back Stitch, the size of the Bullion Stitch required, bringing the needle point out where it first emerged, do not pull the needle right through the fabric. Twist the thread round the needle point as many times as required to equal the space of the Back Stitch. Hold the left thumb on the coiled thread and pull the needle through; still holding the coiled thread, turn the needle back to where it was inserted (see arrow) and insert in same place. Pull thread through until the Bullion Stitch lies flat. Use a needle with a small eye to allow the thread to pass through the coils easily. Arrange a circular group of Bullion Stitches to make a Grub Rose.

LAZY DAISY STITCH

Work in the same way as Chain Stitch (A), but fasten each loop at the foot with a small stitch (B). This stitch may be worked singly or in groups to form flower petals.

CRAB STITCH

1 ch, work as for dc but work from left to right instead of right to left so that stitches are worked backwards.
 Fasten off.
